Investment project

Srdoci, Kvarner

Commercial and residential complex project in Rijeka settlement Srdoči (Zamet) cca 1 km from the sea.
Two blocks of 5-6 floors with garages are projected.
Multi-storey garage will have three levels.
Ground floor of the building will be meant for business and commercial premises.
On four other levels and attic there will be residential apartments only.
Garden and pedestrian zone will occupy the space between the buildings.

TOTAL LAND: 3.440m²

PURPOSE OF THE BUILDING:

Multi-apartment business buildings will consist of the following parts:

- Two underground floors: garages
- Basement: garage
- Ground floor: business premises and vertical communication of the building
- 4 floors + attic: living space

The first building will offer a total of 66 apartments, of which 8 apartments will be adapted for disabled people and people with special needs.

The second building will offer a total of 70 apartments of which 8 apartments will be adapted for disabled people and people with special needs.

In both buildings, there will be green gardens on the part of the roof above the ground floor and above the 4th floor.
