Land plot

Peruški, Marčana, Istria

Adrionika offers great plot of land in Peruški, Marcana, just 16 km from Pula.

Total area is 5000 sq.m. In fact it is a combination of two land plots.

The first land plot has an area of 2800 m², of which 1410 m² is urbanized.

The second land plot has an area of 2200 m² and is a forest in nature.

It is located in a quiet location overlooking Učka, while the first floor of the future building would be possible to view the sea and the island of Cres.

On the land there is a dry stone wall with centuries-old olive trees.

Water and electricity connections are nearby.

The land is located in an attractive location, has access from the paved road, and from the sea, beautiful and hidden beaches is only 2 km away.

Ideal for building a house for tourist purposes or family houses.

Overall additional expenses borne by the Buyer of real estate in Croatia are around 7% of property cost in total, which includes: property transfer tax (3% of property value), agency/brokerage commission (3%+VAT on commission), advocate fee (cca 1%), notary fee, court registration fee and official certified translation expenses.
