Luxury modern apartments in a new building in Crikvenica 350 meters from the sea!

We mediate the sale of two luxury apartments in a new building with a panoramic view of the sea. The building is located in a quiet and dead-end street not far from the sea.

The lower floor offers two similar apartments of 95 sq.m. with gardens of 50 sq.m.

They consist of a living room, kitchen, bathroom, covered terrace and garden, while on the first floor there are two bedrooms, a bathroom, a corridor and a loggia. Given that there will be only two two-story apartments in the building, it can be safely said that it is a semi-detached house with all the advantages of comfort and peace. The apartment has one parking spot. Heating and cooling in the apartment will be solved by air conditioners. It is sold on a turnkey basis.

The expected completion of the works is the second half of 2023.

An investor well-known in the region who builds quality, and for a list of materials and floor plans, contact the agent.
