Gorgeous penthouse with sea view in a modern new building near the beach - in Grebaštica near Šibenik!

Price fell from 393 000 eur to 339 000 eur!

Discover the epitome of contemporary coastal living just 200 meters from the sea and beach in the charming village of Grebaštica. This picturesque haven, located 15 km south of Šibenik, is renowned for its beautifully indented coastline, dotted with inviting beaches and serene coves. The crystal-clear waters, pebble beaches, and lush pine forests create a unique and enchanting landscape.

The highlight of this complex is the luxurious penthouse on the second floor of the Z3 building. Spanning a net usable area of 121.80 m², this spacious residence features an open-concept kitchen, dining, and living area, four bedrooms, two bathrooms, and both covered and uncovered terraces with stunning sea views. Additionally, it includes one dedicated parking space.

The complex comprises six modern urban buildings, housing a total of 29 residential units. Each apartment showcases superior construction quality and premium materials, including PVC carpentry with double-layer glass, aluminum blinds, inverter air conditioning, and top-notch sanitary ware from renowned manufacturers.

The apartments range from cozy two-bedroom units to expansive three- and four-bedroom options. All units come with a terrace or loggia, while ground-floor apartments boast private gardens. The penthouse offers panoramic sea views, while other apartments feature partial or no sea views, depending on their location within the complex.
